15.09.2022

The 9-Euro-ticket, which was launched by the federal government of Germany and valid for the months of June, July and August 2022, was credited against the semester fee for the summer term 2022. If you have paid for the semester ticket with the regular re-enrolment for the summer semester 2022, you are entitled to a total refund of 69.90 euros as a student of the HWR Berlin.

This is how you get 69.90 euros back

If you are a student of the department 1, 3, 4, 5 or the Berlin Professional School, please access the digital refund form by clicking on the following link:

How the online refund request works

1. First log in with your regular HWR Berlin access data.
2. Fill in the online request form completely.
3. Please note that the refund can only be transferred to bank accounts for which you are the primary account holder.

A semester fee reimbursement has already been granted to students of the classes 2020 and 2021 of the Department 2 Cooperative Studies by re-enrolment for the winter term 2022. They are therefore exempt from the procedure described above. Students of the class of 2019 are also required to use the digital refund form:

- <https://erstattung-semesterticket.hwr-berlin.de>

The HWR Berlin collects the submitted forms and processes them step by step from October 2022 onwards. Please keep in mind that the transfer may take several weeks.

Who gets no money back?

As a student, you will not receive a refund if you:

- have not re-enrolled for the summer term 2022 from April to September.
- have already applied for a refund via ASTA for the months of June, July and August.
- are studying at the Department 2 Cooperative Studies and are not part of the class of 2019.
